SCORE IS 62 1-3 TO 54 2-3

Track Heavy and Meet in Doubt Until the Completion of Jumping.

Special Despatch to THE NEW YORK HERALD. NEW HAVEN, Conn., May 14.—Clear skies greeted the Harvard and Yale track and field performers to-day in their twenty-eighth annual dual meet and Yale won by a score of 62-1-3 to 54-2-3.

E. O. Gourdin, the Harvard negro star, and Tom Campbell of Yale were the individual stars of the meet, the former winning the 100 yard dash and broad jump, in which latter he established a new dual record of 24 feet 4 inches. He took second in the 220 yard dash, while Campbell ran true to form in both the mile and half mile events, which he won handily.

The track was heavy and the meet one of the closest in years. The final outcome was in doubt until the completion of the pole vault and high jump events.

Walter Higgins, the Blue and White distance star, was entered in only one race, the two mile, which he won easily in 9:57-1/2. Higgins ran next to last for the first half mile, then slowly overtook the rest of the field. He was in the lead at the three-quarter mile mark and finished with a comfortable margin.

Interest centered in the race for second and third positions. Schaeffer, Columbia, and Norton, Wesleyan, passed each other in the mile race, but Schaeffer, who was already leading, won the race by a comfortable margin.

At this juncture Stewart of Columbia, who had been running a bad fifth, came from behind like a whirlwind and took second place. Stowe, who was already leading, won the race by a comfortable margin.

BOSTON COLLEGE'S CORNELL THREES

Retains Its Eastern Intercollegiate Track Championship Honors at Springfield.

Special Despatch to THE NEW YORK HERALD. SPRINGFIELD, Mass., May 14.—The athletes of Boston College successfully defended their Eastern Intercollegiate track and field championship here to-day on Pratt Field when they won the trophy for the second successive time. They won five of the fourteen events contested, including the pole vaulting race of 39 points. Holy Cross was placed second, with 22 points, and Springfield College was next in line, with 18. Every running record of the association was equaled or bettered and most of the field marks were surpassed.

The Boston representatives to win their events were J. J. Sullivan, who led the field in the 120 yard high hurdles, and 220 yard low hurdles, and J. W. Driscoll, who showed the way in the 440 yard run, C. Flahive, who won the running high jump, and William Nolan, who captured the running broad jump. Driscoll, who won the quarter mile event was also placed second in the 220 yard run.

Because of the soggy track it was decided to complete the 120 yard high hurdles this morning, and J. J. Sullivan set a new record by winning the final heat in 14-1/2 seconds.

Tom Dignan of Holy Cross, after winning one of the heats in the 120 yard high hurdles, joined the shot putters and set a new record for this event with an effort of 242 feet, 9 inches. This is 10 feet better than the winning mark made by him last year. The summaries:

Columbia Victor Over Princeton and Penn Crews

Continued from First Page.

"Give 'em ten!" they did, but Princeton still was very much in the race. Columbia stroke was raised to a 30, but the Tigers came along with a powerful challenge, and for a quarter of a mile they rowed without the Blue and White gaining a foot's advantage. The Tigers were going at 35 to the minute, and while they were not getting as much out of their strokes as did the Columbians, they made up for that with their higher beat.

Columbia was in the lane next to the Speedway, while Penn was in midstream and Princeton on the other side of the river. The Tigers had the advantage as a bit of current was running out behind them, but the Columbia crew was quite slack. Still, the difference was not so great that it had a serious bearing on the race.

Tigers Challenge Columbia. At the mile and a quarter Princeton made its big bid. Capt. Creswell raised the stroke to a 36 and called for the surge. Princeton's stroke was 36 to the minute. They pulled as if they would row their hearts out. They dug into the water viciously, with that same grit and determination that had won another Princeton victory over the Navy a week before.

But this crew which was bearing the Columbia standard was the ordinary crew of sweepers. It was fighting not only for a second victory and a clear slash—for Columbia and Rice, its fine coach—it was fighting like a crew inspired by the thought of a double win for a varsity crew. It was rowing for the honor of the school, and it was rowing for the honor of the school.

Van Houten, Princeton's captain, was not only in the lead but in the lead. He was rowing for the honor of the school, and it was rowing for the honor of the school. He was rowing for the honor of the school, and it was rowing for the honor of the school.
